

King Street Wharf – Building 6-North

**Sector:**

Corporate

Location:

Sydney, New South Wales

Client:

Multiplex

Building value:

\$75 million

Year:

2003

Description:

Building 6-North forms part of Sydney's King Street Wharf Development. It consists of four basement levels, ground floor and foyer, and 15 upper office levels, with an auditorium and a number of meeting rooms.

The mechanical services and air conditioning was designed and tailored to meet the requirements of an audited AGRB 4-star rated building.
